EDUCATION

UNC-Chapel Hill, BA in Media Production

East Carolina University, MA in Technical Communication

CODING EXPERIENCE

Massachusetts Institute of Technology Full Stack Web Development Program (Cambridge, MA)

Student Software Developer (August 2021 – June 2022)

- Developing interactive apps and forms with JavaScript functions, DOM manipulation, data structures, and React
- Creating responsive websites with HTML, CSS, and Bootstrap, utilizing flexbox and media queries
- Managing version control of apps and repositories with Git, GitHub, and GitHub Desktop
- Handling errors, with a focus on prevention, and debugging in the console and with VS Code extensions
- Running projects using Node and NPMs and deploying apps with Express, Docker, and MongoDB

WORK HISTORY

UNC Greensboro Division of University Advancement (Greensboro, NC)

Development Communications Specialist (March 2020 – January 2022)

- Served as a primary writer, editor, videographer, and branding gatekeeper for seven departments
- Performed editorial reviews and updated content on University Advancement websites
- Collaborated with directors on communication strategies for major campaigns, events, and announcements

Development Writer (February 2019 – March 2020)

- Controlled external communications from the university's scholarship management website
- Edited proposals, year-end giving reports, web copy, and various communications to university donors
- Assisted with ghostwriting letters, scripts, and speeches for the chancellor and the division's vice chancellor

Measurement Incorporated (Greensboro, NC)

Reader/Evaluator (March 2018 – February 2019)

- Quickly learned and implemented standardized scoring criteria for nationwide student writing assessments
- Holistically scored over 100 writing samples daily, with an emphasis on conventions and syntax

Randolph Community College (Asheboro, NC)

Continuing Education Instructor (June 2017 – March 2018)

- Effectively led computer skills courses, resume writing seminars, and customer service classes
- Successfully taught English classes centered on grammar and writing
- Coordinated individualized tutoring sessions based on student reading and writing assessments

North Carolina A&T State University Athletics Department (Greensboro, NC)

Media Relations Assistant (August 2015 – June 2017)

- Administered regular updates to the athletics website and social media platforms
- Delivered consistent press coverage on athletics for the university's web and print publications
- Shot and edited (video) highlight reels of important events for Aggie Lock TV

Intern Reporter (August 2013 – February 2014)

- Maintained all press coverage for the university's track and field teams: indoor, outdoor, and cross country
- Wrote articles and announcements for the athletics department's web and print publications
